

IDEC - Automation & Sensing

HMI **Touchscreens** - Bright & -20 to 60deg C

Programmable Controllers - FC6A-PLUS

Power Supplies - PS5R-V & PS6R

Sensors - Photoelectric, Heavy Duty, Universal Voltage

Industrial **Ethernet Switch** - SX5E Unmanaged w/QoS, IGMP

Intrinsically Safe **Barriers** - Relay, Lamp, Safety

Intrinsically Safe - **Voltmeters and Pilot Devices**

IDEC - Safety

Emergency Stop Switches - XW & XN Series

Safety Interlock - Heavy Duty

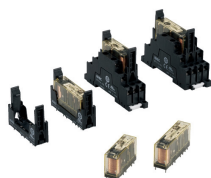

Safety Laser Scanner - 5M protection Zone

Safety Relay Modules - Cat 4 to Cat 1

Safety Controller - Non-PLC - up to 6 relays

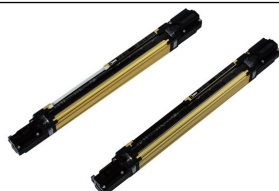

Force Guided Relay - Compact & Slim

Enabling Switches - 3pos OFF-ON-OFF - Robots

Grip Switches - Deadman switches

Safety Light Curtains - Cat 4, SIL 3, IP67

IDEC - Switching & Controls

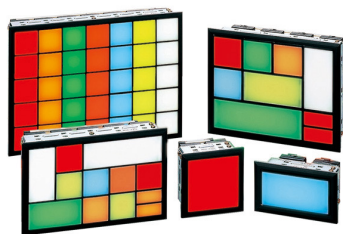

Pushbuttons & Pilot Lights - 16, 22, 30mm

Indicator Lights & Buzzers - HW1Z

LED Indicators - AP22 - sunlight viewable LED

Panel Mount Annunciators - SLC 30/40

Surface Mount Annunciators - LH Spider Lights

	<p>Light Towers - LD6A Steady & Flashing w/ALM</p>
	<p>Auto-ID Code Scanners</p>
	<p>Auto-ID Smart RFID Readers</p>
	<p>Relays & Sockets - The Idec Brand is World Famous</p>
	<p>Solid State Relays - 10A to 90A</p>
	<p>Timers - Multi-Function, On-Delay, Miniature</p>

Notes

Many products are rated Class 1 Div 2 for Petrochemical Applications

Many products are rated DNV or ABS for Maritime Applications

Many products are rated outdoor - sunlight viewable & wide temperature ranges
